

ARMY PUBLIC SCHOOL NOIDA

Circular No. APSN /505/05

Dear Parents,

The recent incidents of school children being targeted have been a cause of concern for all of us at Army Public School, Noida. We take this opportunity to assure all the parents that we at APSN strive to provide a safe environment to all our students.

Adequate and effective security measures are in place to ensure that the safety of our students is not compromised at any level. It is ensured that no unauthorized person is allowed access to the school premises during the school hours. Also, female support staff has been employed by the school to cater to the needs of the students and assist them. We take care to ensure that all the drivers and maids are hired after thorough police verification and their activities are always monitored. CCTV cameras too have been installed at various locations

Further in this regard, we would like the parents to kindly note that **students' entry timings are from 7.15 AM to 7.30 AM w.e.f 14 September, 2017**. The parents of students who travel through private vans are requested to coordinate accordingly with the drivers to ensure the same. It is advisable that the students **Do Not** enter the school before 7.15 AM.

Assuring you once again of our consistent endeavors towards the safety of your wards and looking forward to your support and cooperation.

Regards.

Anita Shah

Principal
