

## **Swachhata Pakhwada 2023** **Join Us in the Cleanliness Drive!**

Dear Students and Guardians

At APS Noida, we believe that a cleaner and healthier environment begins with us. As part of the **Swachhata Pakhwada 2023** initiative, we are committed to making a positive impact on our surroundings and promoting a culture of cleanliness and hygiene.

Here's how you can join us in this noble cause:

- **Take the Pledge:** Join hands with us by taking the *Swachhata Shapath* (Cleanliness Pledge). Together, we can make a promise to keep our surroundings clean and practice good hygiene habits.
- **Spread the Word:** Share the importance of cleanliness and sanitation with your family, friends, and neighbors. Let's inspire everyone to be a part of this cleanliness drive.
- **Reduce, Reuse, Recycle:** Say no to single-use plastics and embrace the 3 R's - Reduce, Reuse, and Recycle. Small changes in our daily habits can make a big difference.
- **Follow Our Progress:** Stay updated with our Swachhata Pakhwada activities and achievements by visiting our website regularly. We will be sharing photos, videos, and reports of our efforts.
- **Get Involved:** Your active involvement is crucial. Join our clean-up drives, awareness campaigns, and other events during *Swachhata Pakhwada*.

Together, we can make a cleaner, greener, and healthier world. Let's be the change we wish to see. Join us in the Swachhata *Pakhwada* movement and be a part of the solution!

**Together for a cleaner tomorrow...**

**Team APSN**
