

ARMY PUBLIC SCHOOL NOIDA

November 2024

Connect@APS N Monthly Newsletter

Vol. 1

From the Principal's Desk

*Dear Parents and Students,
I am excited to announce the release of our school's very first newsletter! This publication will serve as a window into our vibrant school community, showcasing the achievements and efforts of our students, staff, and families.*

As we move forward, let us remember the words of General George S.P Patton: "The test of a good leader is not how many soldiers follow, but how many leaders they create." Just as the Army builds strength through discipline and teamwork, education empowers individuals to lead, think critically and shape the future.

We hope this newsletter reflects the spirit of leadership and excellence we strive for in our school.
